ROOTY HILL | NSW

CONSTRUCTION 9 X 5-A-SIDE FOOTBALL PITCHES

\$2.5MIL

**Wanderers Football Park;** The NSW Government provided \$5 million to the Western Sydney Wanderers for Stage 4 of the facility being the construction of nine all-weather five-a-side football pitches, a facility featuring office space, function room and change rooms, a new amenity building for the southern area of the Football Park, as well as landscaping and supporting infrastructure.

“Wanderers Football Park will provide an integrated high-performance facility that will improve Western Sydney Wanderers’ talent development pathways and community programs. This will ensure the Wanderers continue to develop players who will dominate not just the A-Leagues but Asian and World football.”

### Key Points

- Wanderers Foundation was launched in 2019 in partnership with the Australian Sports Foundation to support the Western Sydney Region through Club sponsored programs:
  - \* Youth development (boys & girls)
  - \* Healthy active lifestyles
  - \* Multicultural engagement
  - \* Supporting Indigenous communities
  - \* All abilities
  - \* Disadvantaged youth
- GF MF Synergy Pro 50 was chosen for its compliance to FIFA Quality and Quality Pro performance which also meets FIH/FIFA Field Testing requirements for Multi-Sport 3.
- The new surface will cater to The Wanderers Foundation activities including the football academy, holiday clinics, annual tournaments, as well as power chair and walking football for participants of all abilities.

- GF MF Synergy Pro 50 is a 3G filled system ideal for amateur and semi-professional clubs that require a high-quality playing surface with durability that retains good playing characteristics throughout the surface life.
- GF MF Synergy Pro 50 comprises a double yarn configuration of resilient monofilament and durable fibrillated tape fibres tufted together resulting in minimal infill splash and is regarded as the most successful and proven football surface system in Australia today.
