LAWN BOWLS

NATIONALS_12

Having been involved in sporting club management for over 25 years and having run 2 major regional golf and bowls clubs I highly recommend Shamus Skase and his team at Synergy turf for their business acronym and outstanding product. Our bowlers are happy with the playability of the surface and buoyed by the fact that these greens will stand the test of time in our Australian conditions. Aussie run, Aussie made with an accessible and knowledgeable support team.
