DOGS & PETS

4-PAWS 30

"Matt and his crew are very professional with no mess left behind. So many people have asked about the artificial lawn due to the fact it looks so real. It has transformed our backyard" Mark.

The more we use SYNLAWN'S 4 PAWS 30 the more we love it. Not just the perfect synthetic grass for pets but also a natural looking landscape option. LOVE IT!

Matthew Branson | Director
