SPRING 40

DELIVERING MORE TOGETHER

PROJECT DETAILS

REVISION | 15/04/2025 1:13:48 PM

"We installed SYNERGY'S SPRING 40. I must say we were most impressed with the overall finish of the product. Not only does it look sensational but it is extremely easy to work with as it joins beautifully and grooms up with no pitting. Not to mention the matt finish, there is no sheen whatsoever giving it one of the most natural appearances I've seen. Great work guys, keep up the good work" Chris.
