## WA

LANDSCAPE & GOLF

DOGS & PETS

4-PAWS 30

*SYNLAWN 4 PAWS has a natural, sun kissed appearance that pairs perfectly with Perth's sandy tones and limestone features. With this project the colour and texture helped the lawn flow seamlessly with the pools alfresco area, creating a warm cohesive feel that stands out for the right reasons. It's a clear upgrade from the overly bright synthetic lawns you often see.*
